I distributed Qs to EOC before lunch. Haven't gotten anything back from them yet. I'll chase after them, but they will be standing down. Just had call per Qs.

The JIC is putting together a team of subject matter experts to sit with the press team and develop responses.

Hoping to have it stood up by tomorrow morning although I'm pushing for it to

be done in the next two hours.

Jen - how helpful was Nat?
